## Youth, 14, Wounded, Loses Sight Of One Eye

New Year's Eve Mishap Occurs as Gun Goes Off While being Assembled

A young teenage boy, here on a holiday visit, lost the sight of his left eye, and surgery is being performed today in an effort to save the other after he was wounded accidentally in the head about 10:15 p.m. New Year's Eve in Venice.

The boy, Kenneth Grenner, son of Mr. and Mrs. Gene Grenner, Pawnee, Ill., is reported to be in satisfactory condition at Barnes Hospital, St. Louis, where he was taken after first being rushed to St. Elizabeth Hospital here for treatment of the head wound from a .22 caliber revolver.

Venice police said five boys, all 18 or younger, were together when the gun accidentally went off as it was being shown by Gary Kampmann, 15, son of Mr. and Mrs. John Kampmann, 122 Kerr street, Venice, cousin of the wounded boy.

The mishap occurred at the home of Mr. and Mrs. Clyde Sanders, 127 Hampden street, where the group of boys were to have their own New Year's party while watching smaller youngsters. Mrs. Sanders is a sister of the Kampmann boy.

Gun Found in Dresser Police were told the Kampmann boy had taken the gun from under clothing in a dresser, and the group of boys was in the kitchen. He had removed the cylinder, and as he was putting it back, the gun went off with the bullet striking the Grenner boy in the forehead, passing, commonly through at an angle on the right side.

The Kampmann youth and two other boys rushed the wounded Grenner boy to the local hospital in an auto. A short time later (Continued on Page 13, Col. 1.)

## 'Friendly' Poker Games Raided

10 Gambling Charges Filed as County, State Police Conduct Raid

Two "friendly" poker games were raided Sunday evening at the store and home of David Eugene Woods, 30, at Lake drive and Highway 182, by Madison county sheriff's deputies and state troopers.

Ten persons were named in gambling charges on complaints signed by county investigator John Cooper of Granite City before Magistrate Joseph Kelleher in Edwardsville. The persons were to appear for hearings today. All were released on \$50 cash bail Sunday night.

Charged with keeping a gambling house were Woods and Donald Eugene Harrison, 25, of 4609 Maryville road. Listed in gambling charges were Walter Hayes Rowland, 26, of 2117 Edison avenue, Clarence Frank Barkley, 28, of 1001 S. 3553 B street, Pontoon Beach; Loren Lee Madison, 31, of 3817 B. n. e. Leah Barton, 21, and Judy Marie Ankle, 24, both of 13 Moorland drive, Mitchell; Ahmad Abu Hamde, 33, St. Louis.

**Woman, Boy Released** A woman and a 15-year-old boy were released without charge, but the boy was referred to the Illinois Youth Commission. Cooper said an anonymous caller, probably a heavy loser in one of the games, complained to state police, stating that teenagers were being played by a man. Cio Angeloff of the state police informed the county sheriff's office.

At 5:20 p.m., Cooper and Ankle were joined by three other deputies and another trooper at the establishment. Cooper, attired in plain clothes, went to the back door. A woman who answered a knock on the door asked who was there, and when the investigator replied "Cooper," she opened the door and all the officers entered.

Cooper said a poker game was under way at a kitchen table and another was being played in another room. Cards, money and a green cover were confiscated.

**Draw, Stud Poker** Games played were five-card draw and seven-card stud poker. Sheriff Barry Fraundorf said one table had a quarter limit and the other had no limit. He said the game was being held during the past month in various homes and apparently was getting out of hand.

The sheriff said that one person had lost about \$40 before leaving and may have been an informant. Fraundorf added that there was nothing commercial about the game and that there were no house cuts.

## Five Bullets Fired Into Trading Store New Year's Eve

An overzealous New Year's Eve celebrant may have been the person who "shot up" the Glass Old Trading Center, East 23rd street, and Nantook road, where five holes were discovered in several plate glass windows.

Mrs. Ellen Weeks, proprietor, who said the powerful bullets not only damaged the front plate glass windows, but also shattered several dresser mirrors and damaged a living room suite.

Several of the slugs were lodged in the rear wall of the store.

## Identical Operations Performed on Identical Toes of Identical Twins

It was quadruple surgery for Marilyn and Carolyn Anne, identical twin daughters of Mr. and Mrs. Owen Shane, 2221 Monroe street.

The 14-year-old girls underwent identical surgery last week at St. Elizabeth Hospital where both had ingrown toenails removed from both big toes.

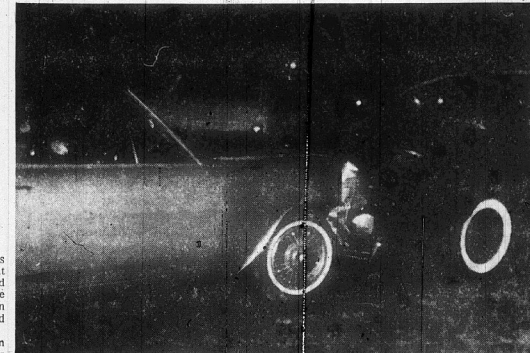

The operations were performed on Thursday, but it will be a month before the girls expect to return to ninth grade classes at Prather junior high school, where they are known as "The Twins."

Commenting on their identical toe surgery, twin Marilyn said, "They stick out like sore thumbs." She was looking at her big toes which were elevated in the hospital bed to aid blood circulation.

The operations, she recalled, were a duplication of ones the twins underwent four years ago, almost to the day, also resulting from ingrown toenails. However, that time, one twin underwent the removal a week in advance of the other.

In addition to having toenail troubles in duplicate and quadruplicate, the twins also had flat feet at the same time and had measles at the same time.

But about a year ago when they were in the eighth grade, Carolyn fell and broke her collarbone when Marilyn was not injured, became ill; and both

## New Year's Eve Busy Time for Area Police

Quad-Cities observed the arrival of the New Year in a quiet manner Friday night, but New Year's Eve was marked by the tragic accidental wounding of a 14-year-old boy in Venice, resulting in a half-hour of rain fell, but mild temperatures prevented freezing.

On the police beats of the Quad-cities, New Year's Eve was relatively quiet from 4 to 10 p.m. Venice police discovered an auto had hit a pole and left the scene. The driver was apprehended on the McKinley Bridge. At 6:45 p.m., a hot wire was reported down in the 1700 block of Collinsville avenue, and Madison police notified the power company.

It was shortly after 10 p.m. that Venice police were notified that Kenneth Grenner, 14, of Pawnee, Ill., had been wounded seriously and rushed to Barnes Hospital, St. Louis, after receiving emergency treatment at St. Elizabeth Hospital here.

**Fighters Disperse** In Granite City, a reported fight at 8:45 p.m. at 19th and State streets was over and the fighters' zone before police arrived; and at 9:15 p.m. firemen went to 2720 Iowa street, where a stopped-up fire for an oil furnace caused \$400 smoke damage to a two-story brick apartment building.

At 10:07 p.m. Granite City police were dispatched to Washington school on a report three youths were there in a parked car. The officers found three men employed by a private investigating agency.

A prowler call was answered at 10:42 p.m. in the 2000 block of Bryan avenue. It turned out to be a mag wanting to wish a Happy New Year to the occupants of the house. Police also were summoned to the YMCA where a teenage New Year's Eve dance was under way and several purses were reported missing.

At 10:47 p.m. a drunken man in the 2900 block of Harding avenue was sent home, and at 10:50 p.m. police picked up a parking meter at 19th and State streets that had been knocked down.

A disturbance in a tavern was reported at 11:33 p.m., but the troublemaker fled before police arrived. At 11:40 p.m., officers were dispatched to Kirkirk Homes on a report that boys were

places. The items, including a gown for the mother, were presented by the nursing staff on behalf of the clubwoman.

The new father, an assistant press operator at the Madison County Chemical Co. plant, said his wife, Carol, entered the hospital at 8:55 a.m. on Friday. Dr. David Friedman was the attending physician.

Mrs. Cooper, the former Miss Carol Rudnicki, previously was employed as a secretary at General Sigs Industries. Grandparents of the newborn, a fifth generation baby, are Mr. and Mrs. Joseph Rudnicki and Mrs. Oscar Cooper, all of Granite City.

## MISS 1966, the first baby of the New Year, is the daughter and first child of Mrs. and Mrs. Dennis Cooper, 1732 Venice avenue. The infant arrived 18 seconds after midnight New Year's Eve at St. Elizabeth Hospital.

## New Year 18 Seconds Old When First Baby Arrives

The Quad-Cities area first baby of 1966 arrived just 18 seconds after the start of the New Year and was born at St. Elizabeth Hospital—a daughter and first child for Mr. and Mrs. Dennis Cooper, 1732 Venice avenue.

The New Year's infant, named Carol Denise, weighed in at seven pounds and seven ounces and measured 20 inches in length. She and the mother are doing nicely, hospital authorities report.

The area's first baby, the new infant received a complete bath and was fed by the local lacteocytes who gathered the items through the cooperation of local business Granite City.

## 1965 Was Dry Year Here—5.17-Inch Rainfall Deficit

Weather-wise, 1965 was a dry year for the Quad-Cities with the total precipitation recorded at 31.14 inches—5.17 inches below normal. It was not as dry as 1964, when the area's total was 27.70 inches.

December tried to make up for the deficit with the official reading totaling 2.52 inches, or a half-inch above normal, but the 1.86-inch which fell on Friday—the last day of the month and of the year—was not credited. Another .32 inch was recorded for Saturday.

The government's gauge, maintained on the middle wall of the Chain of Rocks canal locks, is read at 8 a.m. each morning and for Dec. 31 showed 0.90. The rain which actually fell on Friday is credited to Saturday, Jan. 1.

The driest month last year was November, with only .58 inch, compared to the normal of 2.57 inches. Just a hundredth of an

inch wetter was October with .59 inch. Normally, October's precipitation should be 2.86 inches.

Good Old April Showers Haystack monthly rainfall readings were April with 5.11 inches, September with 4.19 inches and June with 3.97 inches. Normal amounts for these three months are April—3.71 inches; September—2.76 inches and June—4.29 inches.

The August rains of 3.44 inches were above the normal 3.02 inches.

Health Law is On 2nd Reading At Pontoon Beach

A health regulations ordinance for the village of Pontoon Beach, on second reading Thursday evening, was the only business transacted by the village board of trustees, who met in regular session. A brief 20-minute meeting was held.

Thomas Staicoft, board president, reported that no opinion has been expressed by village residents to adoption of the new ordinance, which provides for fines up to \$100 for each violation, with a convicted person also subject to the expense of filing or pursuing a lawsuit, by the sheriff or other proper officer authorized if so ordered by the court.

Seven sections are included, handling sale of unwholesome food or drink, unsanitary handling or storage of food, pollution of water, depositing of garbage or dead animals, collection of filth or noxious substances, permitting buildings or places to remain in unhealthful or unsightly condition and maintaining or creating an open drain, sewer or cesspool or failing to properly dispose of sewage or refuse.

A zoning ordinance currently is under study. Staicoft said, and may be completed in time for passage at the Jan. 27 meeting.

MRS. M. EUGENE WALLACE, (Linda Rae Henley) daughter of Mr. and Mrs. Raymond L. Henley, 2540 Niedringhaus Memorial Methodist Church.

## Miss Linda Henley Becomes Bride of M. Eugene Wallace

Niedringhaus Memorial Methodist Church was the scene of the wedding Thursday evening of Miss Linda Rae Henley, a daughter of Mr. and Mrs. Raymond L. Henley, 2540 Cleveland blvd., and M. Eugene Wallace, whose parents are Mr. and Mrs. Everett Wallace of Henderson, Texas.

The 8 o'clock ceremony was performed by the Rev. R. Paul Sims and a reception was held immediately afterward in Wesley Hall of the church.

A program of wedding music was provided by Warren G. Simkins, vocalist, and Mrs. Simkins, organist. The songs were "A Wedding Benediction" (Austin Lovelace); "O Perfect Love" (Joseph Barnby); "The Lord's Prayer" (Gregorian Chant); and "Jesus, Staid Beside Them" (Lovelace).

Mrs. Simkins played a chorale prelude "A Lovely Rose is Blooming" (Brahms), and other selections. The wedding march by Mendelssohn was used as the recessional and the postlude was "The Heavens Are Telling the Glory of God" by Benedetto Marcello.

The bride wore a gown of pearl de soie with Alencon lace applique. It was designed with a scoop neckline, a bell-shaped skirt with buck fullness ending in a brief train, and elbow-length sleeves. Her veil of illusion was held in place with a headpiece of pearl de soie and she carried a bouquet of white moth orchids and stephanotis. Mr. Henley gave his daughter in marriage.

Mrs. Oral Henderson of Rockford, Ill., was matron of honor for her sister; and bridesmaids were Miss Charlene Landis of this city, and Miss Ruth Pfeiffer of Houston, Tex., a sorority sister of the bride.

Their gowns of imported emerald crepe were made, alike with full-length skirts, empire bodices and matching jackets of bias-cut velvet. The sleeves came to the elbows and knee bows were worn in their hair. All three of the attendants held bouquets of yellow Fuji chrysanthemums.

Laura Henderson, a small niece of the bride as flower girl, was dressed in green velvet with white linen collar and cuffs trimmed in Irish lace. A fraternity brother of Mr. Wallace, John Coby of Dallas, Tex., served as best man and W. Mac Goforth of Jackson, Tenn., William Henley, the bride's brother, and Ramon Talley, a cousin, made up the list of groomsmen and ushers.

Mrs. Edwin Seibold, Miss Betty Lou Wallace, the bridegroom's sister, Miss Karen Danner and Miss Nancy Williams assisted at the reception. Miss Carolyn Seibold was in charge of the guest book.

The former Miss Henley is a junior at Southern Methodist University where she became a member of Alpha Delta Pi sorority. The bridegroom, also a student at Southern Methodist, is a senior in the College of Business. His fraternity is Pi Kappa Alpha.

The couple will reside in Dallas, Texas. Out of town guests here for the ceremony beside those in the wedding party, were Oral D. Henderson of Rockford, Miss Gayle Morgan, Jackson, Miss, and Thomas Ralibuck, Phillips, Texas.

## Traffic Controls to be Major GC Council Topics Tonight

Tonight's Granite City council meeting, the first of the new year, will be staged according to a script, and a smoother session is anticipated by Mayor Parney. Some opposition to the agenda is anticipated, however, since there were at least two aldermen who last week sought to stall the agenda procedure but then with drew their motions for deferment.

The agenda, which was prepared in the mayor's office based on data supplied by aldermen and department heads, lists a large number of traffic control items which were sharply debated last week and are expected to be argued even more hotly this evening.

These include the proposal for return of stop sign on Benton street at 22nd street, a two-hour parking zone at 1725 State street and a two-hour parking zone on the east side of the 2100 block of Adams street.

The council also is expecting an ordinance setting yield right-of-way signs at 17th street and Edison avenue as recommended by the citizens Traffic Study Commission chairman and the traffic engineer.

The other traffic proposals had been rejected by the commission chairman and engineer. Also in line with traffic control, the council is to receive a letter from Police Lt. William Condis,

the department's traffic officer and a member of the commission.

Other ordinances to be submitted will include one to call for construction right-of-way condemnation along West Pontion road which the city is to widen to the Nameoki road improvement.

Two ordinance amendments also are to be submitted—one strengthening the fine procedure for violations involving common operated amusement devices and the other to possibly eliminate the \$2000 surety bond required for local tavern operators.

Under the Street committee, progress reports are to be presented on the Nameoki and the Maryville road improvement projects and on the recent inspection of all railroad crossings by a representative of the Illinois Commerce Commission and city officials.

Richmond avenue drainage, engineer services for the city and a street preventive maintenance program for spring 1966 are to be discussed by the committee, and the committee is to submit recommendations on bids received about two months ago for gasoline, oil and other supplies for the street department.

The Finance committee is to submit the bill lists and payrolls for the city and the township.

## Quad-Cities Resolve: 1966 Sports Success

By MIKE GREMAUD  
PRESS-RECORD SPORTS EDITOR

Another new year has begun. As is the custom at such a time, many Quad-Cityans have made a New Year's resolution in one form or another.

What with all the sports-minded citizens in this area, no doubt there are many who may wonder what resolutions were made a year ago, and how they turned out.

It is not difficult to visualize a few Jan. 1, 1965, resolutions.

Ralph Sackett, current Granite City high school coach, while at Octavia, Ill., "I resolve that someday, somewhere I'll be basketball coach at a 'really big' high school."

Harold Brown, Granite City superintendent of parks and recreation: "Someday I'd like to see the park district—build something really big for winter sports in Granite City. Maybe an ice skating rink?"

Dal Maxwell, Granite Cityan on the St. Louis Cardinals professional baseball team: "I resolve to beat out Dick Groat and maybe Jerry Buckner at short-stop either in 1965 or 1966."

Ken Gray, St. Louis professional football player: "I resolve that after the Cardinals win the National Football League championship, I'll spend some time in Granite City, helping the park district arrange some of its speakers and activities."

Glen Pickering, Madison high school football coach: "I resolve to close the gap on Granite City after our shutout loss in 1964." Bill Offendorf, Venice high school basketball and baseball coach: "I resolve to do my best to coach the teams to better than 500 seasons."

"Most of such resolutions probably were not made, although one never knows."

Avid fans recalled the hiring of Sackett and the current improvement of the Warrior basketball team, which last week won the consolation championship of the Pontiac holiday tournament.

They remember the successful ice rink election in the Groat trade, the football Cardinals' unexpected tailspin, the closely-contested Warrior-Trojan game and the "fairly successful" seasons for the Red Devils—two MCM Conference championships.

Sports in 1965 put the Quad-Cities on the athletic map of Illinois. Not only did the Venice teams perform well, but Warrior wrestlers captured the state championship and are contenders to do so again.

As for other aspects of the

1966 outlook, who can tell? More than likely there will be disappointments, but there also is the justified hope for numerous successes. After all, sports backers have a copyright on the saying, "Wait 'till next year!" haven't they?

Hope! inevitably, springs eternal.

Nineteen sixty-five was a very good year, and who can say that 1966 will not be as good or better for Quad-City sports programs?

—especially if we include such a hope in our newest set of New Year's resolutions.

## THE MADISON COUNTY SPORTSMAN

By DON HASTINGS  
County Conservation Officer

Night rabbit hunting from cars continues to be a problem but the apprehension of four hunters in the Chain of Rocks Canal area ought to help slow it down. I was able to catch both groups right in the act of hunting or attempting to take rabbits.

This practice by both very dangerous to rural residents along the road as well as to the hunters themselves, as in both cases they carried loaded guns in the cars.

They rush to get them out the window when game is sighted, and the chances become very high for an accidental shooting.

Right behind night hunting comes the problem of hunting without permission. Hardly a day goes by that I am not called to a problem. Many times it is one of the better game hunters but other to either arrest or remove him from the property for hunting without their permission.

Surprisingly, in many cases the hunters often get belligerent with the property owners.

The horse and buggy days of "hunting where you please" has long ended and many are much the sadder after the property owner files a complaint.

Permission Always Needed

As I have often said there is NO place in Madison County where you can just go hunting without the fear of someone running you off. There is NO such thing as uncontrolled public hunting grounds in this county.

I am a firm believer, however, that if you will take time to ask, there is no one who can't find a place to hunt if he looks. If you will stop and think how most of the people running all over them, you can easily see a farmer's viewpoint.

So let's think before we hunt anywhere and know the boundary of the land on which we do have permission.

If you do accidentally get on a place and get asked to leave apologize and go graciously. Granted, some farmers get a little rough in the asking, but

## Auto Blaze is 1st Fire Alarm in GC For '66--\$50 Loss

Granite City's first fire alarm of the new year was a call at 3:50 a.m. Saturday to August and Edwards streets where a 1965 auto was ablaze due to a short circuit in wiring at the generator. Firemen set the loss at \$50.

The auto was being driven by William Flowers, 2828 East 25th street, and belonged to John Long.

The last fire of 1965 was an alarm at 9:15 p.m. Friday at a two-story brick apartment, 2720 Iowa street, owned by John Hutton. An overheated oil furnace and clogged flue at the apartment of Larry Butts resulted in \$400 smoke damage, including \$200 to the building and \$200 to furniture and clothing.

The second alarm of the new year was to 3250 Wabash avenue, where there was smoke in the basement, but no blaze was found at 5:30 a.m. New Year's Day.

On Sunday, at 11:50 a.m., firemen were called to the railroad siding at General Steel Industries where a sealed boxcar loaded with limestone had caught fire. Firemen said the flooring of the boxcar was burned through. No estimate of the loss was made.

## SIU-SW Campus Building

## Name Workers for Religious Center Drive

An 18-man solicitation committee to raise funds for construction of the new religious center on the Southern Illinois University, Southwest Campus, was announced Friday by William Hoelscher, manager of the Manufacturers Association of the Tri-Cities and Granite City chairman for the religious center fund campaign.

Campaign workers here and in other nearby areas will seek donations totaling \$750,000 which will supplement a contribution of \$200,000 already committed by five religious denominations. Cost of the center has been set at \$750,000. It will be constructed on ground immediately adjacent to and directly in front of the General Offices Service Building and University Center on the new SIU campus. The campaign is now under way.

Contributions will be sought through committees representing 59 localities and eight county-wide areas. Madison county fund leaders include Henry D. Karandjef, board chairman of the Granite City Trust & Savings bank, honorary chairman; George T. Wilkins, former county superintendent of schools and now a member of the SIU-SW Campus staff; Harold R. Fisher, president of the Granite City First National bank and a director on the SIU board of trustees; and Gus Haller, former chairman of the Madison county board of supervisors.

Chairmen of the Quad-City area drive include Hoelscher of Granite City, John O. Pier, school superintendent of Venice, and Francis E. Dant, principal of Madison high school.

**Name Committee Members**  
Members of the Granite City solicitation committee named by Hoelscher today are:

Allen Jesse and Barry Loman of the Granite City Trust & Savings bank; George Reeves and Paul Lichtenberger of the First Granite City National bank; Ted Berger, manager of Ace

Hardware in Granite City; James Henderson of the Leaders Agency; Irvin Slate Jr. of Leaders & Robertson; Ferd Goewert, executive secretary of the Tri-Cities Chamber of Commerce; Loren Davis of Ard-Dressel Foods Corp.; William Winter, Granite City Press-Record; Nelson Hedger, Granite City Travelodge; David John and Richard Kosloff, realtors; Harry Wolf, National Auto Supply; Everett Steele, Steele-Kunemann Agency; Gerald Thebeau, State Farm Insurance; Joe Nemeth, Granite City police department; and Robert Swiatek, realtor.

The religious center, scheduled for completion during the 1966-67 school year, will bring together under one roof all the various religious faiths. It is believed this will give impetus to the ecumenical movement throughout Southern Illinois.

Eight denominations are represented on the Religious Council of SIU which is raising the funds to build the religious center. They are Baptist, Episcopal, Lutheran, Methodist, Roman Catholic, Presbyterian, Disciples of Christ and the United Church of Christ. Corresponding with the

Council are the Christian Science organization, Jewish Federation of Southern Illinois, Eastern Orthodox Church and the Assemblies of God.

## Calling All Home Makers

By AARON FREDMAN  
A THOUGHT AT THE START OF A NEW YEAR

Every successful business is based upon a public opinion of value and good will. These things cannot be bought. They must be "earned."

The public knows that certain stores are recognized as "reputable" and others are not.

And what is the secret ingredient of this important thing which every store wants — a good reputation? It is many things. It is reflected in everything the owner and his employees do in their business dealings and even in their civic and social activities.

It is the way the phone is answered. It is created by the type of advertising a firm does, by the service given to customers; by the manner complaints are handled; by the courteous and helpful attention given to customers by everyone from the sales people to the delivery men; by those little things "above and beyond the call of duty" which every customer remembers — and every good businessman tries to do.

And, of course, it is the big things — good merchandise, fair prices, and integrity. You just can't beat this combination.

So, remember, when shopping, our decorating and sales staff here at Fredman Bros. Furniture Co., Nidringhaus and Delmar Ave., in Granite City, is always ready to serve you. We are open Monday, Thursday and Friday night until 8:30 p.m., other nights until 6:30 p.m.

MISS LEANNA MARY PALSGROVE, whose parents, Mr. and Mrs. Hebert Palsgrove, 2311 Pontoon road, are announcing her engagement to David W. McIlvoy, a son of Mr. and Mrs. Wendell McIlvoy, 62 Riviera drive.

FORER RESIDENTS HERE 3508 Cleveland blvd. They were called here to attend the funeral of Mrs. W. E. Murray, last Thursday of Mr. Murray's sister, Leo Murray of Martinsburg, Mo.

## Betrothal Is Announced

Miss Leanna Mary Palsgrove and David W. McIlvoy are betrothed. Announcement of the engagement is made by the bride-elect's parents, Mr. and Mrs. Hebert Palsgrove, 2311 Pontoon road. Mr. McIlvoy is a son of Mr. and Mrs. Wendell McIlvoy, 62 Riviera drive.

A graduate of St. Teresa Academy in East St. Louis, Miss Palsgrove is now a student at St. Louis University. Her sorority is Delta Zeta.

Mr. McIlvoy was graduated from Assumption high school and is presently a senior at the University of Illinois.

Plans for the wedding are indefinite.

## Burglars Steal

employee had been at the shop, and today when the place was opened.

Four to five hundred pounds of aluminum ingots and tools were taken from the Madison Aluminum Foundry.

A spokesman said that entry was gained through a broken window, and that first footprints were found on the ground outside the building.

The tools missing were valued at \$50, while the aluminum ingots were valued at 25 cents a pound, or a minimum of \$100. Office machines worth several hundred dollars, a 21-inch portable television set and a public address system were stolen over the holiday weekend by burglars who entered Matthews Chevrolet Co., 1511 N. Washington Ave.

The method of entry has not been determined. The burglary was discovered shortly after noon yesterday by a salesman. Taken were two typewriters and two adding machines. The thieves also pried open a cigarette machine and emptied the coin box.

The tv set was stolen from the display floor, while the public address system and office machines were taken from offices.

Theft of \$25 from her purse while she was roller skating at the local rink Saturday night was reported to police by Murray Porter of Hartford. The wallet was removed from her purse and later was found in the men's wash room.

A similar theft was reported at the YMCA on New Year's eve by Miss Jo Ann Vigna, St. Louis, who said her purse was stolen and \$7 was taken. Her purse and two others were found about 11 p.m. in the 1800 block of Delmar avenue, where police also found a looted coin box from a parking meter that had been stolen.

A purse thief got \$60 from Jessie Mae Crowder, St. Louis, who told Madison police the theft occurred while she was in Garrett's restaurant. The purse, minus the money, was later found at West 2nd and Jackson streets.

George W. Brim, 234 Logan street, reported at 9:30 p.m. Thursday that a transmission changeover kit for a 1955 to 1957 Ford was stolen from the locked trunk of his car while it was parked within the past 31 days in an open garage at 234 West 24th street. The kit, valued at \$50, contained a transmission, clutch, pressure plate, flywheel and bell housing.

**Auto Title Stolen**  
Theft of a box from the glove compartment of his auto, containing the car title, papers and maps, was reported to police Sunday by David Copper, 5129 Lake drive. He said the theft occurred Friday when the car was parked on a lot at 24th street and Madison avenue.

A break-in attempt at the Knights of Columbus hall, 21st street and Edison avenue, was reported to police on Sunday. Steve Saltich said an attempt was made to pry open the double doors at the front. Entry was not gained.

Mr. and Mrs. Daniel MacLean, 1738a Grand avenue, reported to police Sunday evening that \$25 was missing from their home. The report did not mention any forced entry.

A 1953 auto belonging to Grace Dixon, 2903 Ennes street, was stolen between 3 and 8 p.m. Saturday from the vicinity of the VFW home, 21st street and Washington avenue.

Theft of a record player and approximately 50 records was reported to Madison police last night by Jerry Hildreth, 1242 Iowa avenue, Madison, who said the player and records were worth \$100. The theft from Hildreth's home occurred between 2 and 5 p.m. Sunday.

**Auto Stolen Found**  
An auto owned by Robert A. Robidoux of St. Louis, stolen from Fourth street and Madison avenue at 4 a.m. Friday was recovered three and a half hours later on Ewing street between Third and Fourth streets, about three blocks away from where it was stolen. ## New Year's Eve

shooting out street lights. No boys were found.

The entry at midnight on the Granite City police book was "Happy New Year (Who?)".

**First Complaint of Year**  
Just 30 seconds after midnight a woman in the 2800 block of Harding avenue reported there was excessive noise outside her home, and at 12:05 a.m. there was a complaint of too much noise at Saratoga and Terminal avenues.

At 12:23, a man notified police that his home in the 2600 block of Prospe streets was "being shot up." Investigating officers found celebrants had been shooting off fireworks.

The first traffic crash of the year was at 12:34 a.m. and involved two autos—not injuries—at Johnson and Ponton roads. At 1 a.m., a transient was permitted to sleep in a cell.

At 1:20 a.m. another accident was reported, and there was an injury and an arrest in the crash at 23rd street and Grand avenue.

Another crash in which an auto struck a utility pole in the 3600 block of Madison avenue, injuring both occupants, was reported at 1:30 a.m.

Miscellaneous calls began pouring in at 1:30 a.m.—the first in a complaint on a drunken celebrant in the 2000 block of 12th street. He was sent home. At 1:40, police had an auto moved that was blocking the 2500 block alley between Grand and Madison avenues.

Family trouble was reported at 1:41 a.m. in the 3600 block of Washington avenue. The woman was advised to see a lawyer.

At 1:52 a.m., an elderly patient walked out of St. Elizabeth Hospital to celebrate the New Year. He was found a short time later in a ditch and returned to the hospital.

Police gave accommodations to another transient at 2:10 a.m.

**Another Accident**  
At 2:20 a.m., police stood by on Route 3 until state police arrived to record a three-car accident in which a woman was hurt.

Police found a looted parking meter money box at 3:20 a.m. in the 1800 block of Delmar avenue, along with three looted purses that had been taken from the YMCA.

At 3:33 a.m., police were summoned to Oregon avenue on a complaint of a noisy, speeding auto. They were unable to locate it.

And a noisy party complaint was received at 3:35, and at 4 a.m., 1 men went to August and Edwards streets to extinguish a blaze in an auto. Another fire alarm was answered at 5:32 a.m. on police in the crash at 2329 Walsh avenue, where the basement was filled with smoke but no blaze was found.

Ms. an police covered at 5:30 a.m. that a large window had been smashed at American Sales, 314 State street. Entry was not gained.

**Two Autos Collide**  
Auto driven by Robert W. Gafford, 1821 Maple street, and Angie Mooshegan, 1728 Poplar street, collided at 8:05 a.m. today at Spruce street and St. Louis avenue.

She suffered cuts and abrasions to her right arm and hand and injury to her right eye.

State police said she was driving south when her auto crashed into the rear of the auto of Robert Tidwell, 2549 Circle drive, which was being towed by a vehicle being operated by James Pruitt, 2914 Denver street. Pruitt told police he was traveling about 10 miles an hour.
